George Vs. George Dec 14 2019 Explores how the characters and lives of King George III of England and George Washington affected the progress and outcome of the American Revolution.

George F. Kennan Nov 17 2022 Winner of the 2012 Pulitzer Prize in Biography Widely and enthusiastically acclaimed, this is the authorized, definitive biography of one of the most fascinating but troubled figures of the twentieth century by the nation's leading Cold War historian. In the late 1940s, George F. Kennan—then a bright but, relatively obscure American diplomat—wrote the "long telegram" and the "X" article. These two documents laid out United States' strategy for "containing" the Soviet Union—a strategy which Kennan himself questioned in later years. Based on exclusive access to Kennan and his archives, this landmark history illuminates a life that both mirrored and shaped the century it spanned.

Helen of Troy Jul 13 2022 Acclaimed author Margaret George tells the story of the legendary Greek woman whose face "launched a thousand ships" in this New York Times bestseller. The Trojan War, fought nearly twelve hundred years before the birth of Christ, and recounted in Homer's Iliad, continues to haunt us because of its origins: one woman's beauty, a visiting prince's passion, and a love that ended in tragedy. Laden with doom, yet surprising in its moments of innocence and beauty, Helen of Troy is an exquisite page-turner with a cast of irresistible, legendary characters—Odysseus, Hector, Achilles, Menelaus, Priam, Clytemnestra, Agamemnon, as well as Helen and Paris themselves. With a wealth of material that reproduces the Age of Bronze in all its glory, it brings to life a war that we have all learned about but never before experienced.

Terry: Oct 24 2020 NATIONAL BESTSELLER • "Raw and riveting . . . A compassionate reminder that every alcoholic was once somebody's baby."—USA Today Just before Christmas 1994 Terry McGovern was found frozen to death in a snowbank in Madison, Wisconsin, where she had stumbled out of a bar and fallen asleep in the cold. Just forty-five years old, she had been an alcoholic most of her life. Now, in this harrowing and intimate reminiscence, her father, former Senator George McGovern, examines her diaries, interviews her friends and doctors, sifts through medical records, and searches for the lovely but fragile young woman who had waged a desperate, lifelong battle with her illness. What emerges is the portrait of a woman who was loved by everyone but herself. Surrounded by devoted parents, caring siblings, and two young daughters of her own, Terry maintained an appearance of control but was haunted by the twin demons of alcohol and depression. Her story is a heartbreaking tale of her attempts at sobriety, the McGovern family's efforts to help her—and the failure of both. With courage and compassion, George McGovern addresses a private tragedy with an honesty rarely achieved by a public figure, looking candidly at his inability to save his child. A primer for other families who live with addiction, McGovern's book is filled with wisdom and an understanding that can come only from sharing his tremendous loss with others. Praise for Terry "Harrowing, riveting . . . A family drama of love and loss."—The New York Times Book Review "An agonized cry from the heart . . . McGovern's abiding love for his daughter, and his anguish at the thought of failing her, scorch these pages."—Newsweek "Haunting . . . speaks for all families engaged in the private struggles of addiction."—Washington Post "The loving chronicle of a daughter who lost her life and a father who could not keep her alive . . . a simple, moving story that would touch the heart of any parent."—Houston Chronicle

Regenesis Mar 17 2020 * GEORGE MONBIOT IS THE WINNER OF THE 2022 ORWELL PRIZE FOR JOURNALISM * What if there were a way to stop climate change and end global hunger at the same time? The way we feed ourselves is destroying the planet, and a collection of crises have brought the global food supply to its breaking point. But it doesn't have to be this way. With technology that already exists, we could sustainably provide everyone on the planet with a healthy diet. By cultivating hydrogen-eating bacteria, deep-rooted plants, and much richer communities of insects--coupled with existing technology to reduce our dependence on meat--we can dramatically reduce our carbon footprint, solve world hunger, and halt the sixth extinction at the same time. George Monbiot is an internationally renowned climate activist, widely known for bringing bold, creative thinking to the climate and ecological crises facing our planet. Now, he turns his attention to the global food system to offer a reimagining of the way we feed ourselves on a scale to fit the urgency of the problems we face.

Happy Thanksgiving, Curious George Apr 10 2022 Today is Thanksgiving and George is so excited! He loves everything about the holiday—from the parade with music, jugglers, and big balloons to the delicious turkey shared with family and friends. But even on Thanksgiving the curious little monkey manages to stir up some trouble! Follow George through his Thanksgiving adventures with the short poems in this ebook.

For the Sake of Elena Aug 02 2021 Elena Weaver was a surprise to anyone meeting her for the first time. In her clingy dresses and dangling earrings she exuded a sexuality at odds with the innocence projected by the unicorn posters on her walls. While her embittered mother fretted about her welfare from her home in London, in Cambridge—where Elena was a student at St. Stephen's College—her father and his second wife each had their own very different image of the girl. As for Elena, she lived a life of casual and intense physical and emotional relationships, with scores to settle and goals to achieve—until someone, lying in wait along the route she ran every morning, bludgeoned her to death. Unwilling to turn the killing over to the local police, the university calls in New Scotland Yard. Thus, Detective Inspector Thomas Lynley and his partner, Detective Sergeant Barbara Havers, enter the rarefied world of Cambridge University, where academic gowns often hide murderous intentions. For both officers, the true identity of Elena Weaver proves elusive. Each relationship the girl left behind casts new light both on Elena and on those people who appeared to know her best—from an unsavory Swedish-born Shakespearean professor to the brooding head of the Deaf Students Union. What's more, Elena's father, a Cambridge professor under consideration for a prestigious post, is a man with his own dark secrets. While his past sins make him neurotically dedicated to Elena and blind to her blacker side, present demons drive him toward betrayal.

Knowledge and Power Jul 21 2020 Ronald Reagan's most-quoted living author—George Gilder—is back with an all-new paradigm-shifting theory of capitalism that will upturn conventional wisdom, just when our economy desperately needs a new direction. America's struggling economy needs a better philosophy than the college student's lament: "I can't be out of money, I still have checks in my checkbook!" We've tried a government spending spree, and we've learned it doesn't work. Now is the time to rededicate our country to the pursuit of free market capitalism, before we're buried under a mound of debt and unfunded entitlements. But how do we navigate between government spending that's too big to sustain and financial institutions that are "too big to fail?" In *Knowledge and Power*, George Gilder proposes a bold new theory on how capitalism produces wealth and how our economy can regain its vitality and its growth. Gilder breaks away from the supply-side model of economics to present a new economic paradigm: the epic conflict between the knowledge of entrepreneurs on one side, and the blunt power of government on the other. The knowledge of entrepreneurs, and their freedom to share and use that knowledge, are the sparks that light up the economy and set its gears in motion. The power of government to regulate, stifle, manipulate, subsidize or suppress knowledge and ideas is the inertia that slows those gears down, or keeps them from turning at all. One of the twentieth century's defining economic minds has returned with a new philosophy to carry us into the twenty-first. *Knowledge and Power* is a must-read for fiscal conservatives, business owners, CEOs, investors, and anyone interested in propelling America's economy to future success.

George Washington and His Right-Hand Man: Read-Along eBook Sep 15 2022 In the high-interest, nonfiction text *George Washington and His Right-Hand Man*, students will learn about the life of George Washington, and evaluate his political relationship and friendship with Alexander Hamilton. Through the use of dynamic primary sources like maps and letters, middle school students will be engaged as they read about history and build their literacy skills. Supporting current social studies standards, this full-color text includes intriguing images, interesting sidebars, a glossary, and other important text features to support learning and strengthen key comprehension skills. Challenging activities require students to use text evidence to connect back to what they've read.

Introduction to Emergency Management Nov 12 2019 *Introduction to Emergency Management, Fifth Edition*, offers a fully up-to-date analysis of US emergency management principles. In addition to expanding coverage of risk management in a time of climate change and terrorism, Haddow, Bullock, and Coppola discuss the impact of new emergency management technologies, social media, and an increasing focus on recovery. They examine the effects of the 2012 election results and discuss FEMA's controversial National Flood Insurance Program (NFIP). *Introduction to Emergency Management, Fifth Edition*, gives instructors and students the best textbook content, instructor-support materials, and online resources to prepare future EM professionals for this demanding career. *Introduction to FEMA's Whole Community disaster preparedness initiative* Material on recent disaster events, including the Boston Marathon Bombing (2013), Hurricane Sandy (2012), the Joplin Tornado (2011), the Haiti Earthquake (2011), and the Great East Japan Earthquake (2010) New and updated material on the Department of Homeland Security and the ongoing efforts of the emergency management community to manage terrorism hazards Top-of-the-line ancillaries that can be uploaded to Blackboard and other course management systems.

Nineteen Eighty-Four Mar 29 2021 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

George Washington Carver: Sembrar ideas: Read-Along eBook May 11 2022 *George Washington Carver* was born into slavery. No one thought much of him because he was sick and weak. He would spend his life proving them wrong. Learn more about the "Plant Doctor" turned "Peanut Man" and how he helped people across the United States. This full-color biography includes important text features such as a glossary and a table of contents to engage students in reading as they develop their comprehension and literacy skills. This Spanish book aligns with national and state standards and features exciting TIME For Kids content to keep English language learners engaged in learning.

Ebook: International Accounting Mar 09 2022 The Fourth Edition of *International Accounting* provides an overview of the broadly defined area of international accounting, but also focuses on the accounting issues related to international business activities and foreign operations. This edition also includes substantially updated coverage of the International Accounting Standards Board (IASB) and International Financial Reporting Standards (IFRS). The unique benefits of this textbook include its up-to-date coverage of relevant material, extensive numerical examples provided in most chapters, two chapters devoted to the application of International Financial Reporting Standards (IFRS), and coverage of nontraditional but important topics such as strategic accounting issues of multinational companies, international corporate governance, and corporate social responsibility reporting.

The Death of Rhythm and Blues Jun 12 2022 From Nelson George, supervising producer and writer of the hit Netflix series, "The Get Down," this passionate and provocative book tells the complete story of black music in the last fifty years, and in doing so outlines the perilous position of black culture within white American society. In a fast-paced narrative, Nelson George's book chronicles the rise and fall of "race music" and its transformation into the R&B that eventually dominated the airwaves only to find itself diluted and submerged as crossover music.

The Dragon and the George Feb 08 2022 Through no fault of his own, the once human Jim Eckert had become a dragon. Unfortunately, his beloved Angie had remained human. But in this magical land anything could happen. To make matter worse, Angie had been taken prisoner by an evil dragon and was held captive in the impenetrable Loathly Tower. So in this land where humans were edible and beasts were magical--where spells worked and logic didn't--Jim Eckert had a big, strange problem.

Shared Collections Jan 07 2022 With practical advice on issues such as governance and business models, demand driven acquisition, rare works, and access, this monograph is a valuable

resource for academic library directors, administrators, and collection development leaders.

Turmoil and Triumph Sep 03 2021 Turmoil and Triumph isn't just a memoir—though it is that, too—it's a thrilling retrospective on the eight tumultuous years that Schultz worked as secretary of state under President Ronald Reagan. Under Schultz's strong leadership, America braved a nuclear arms race with the Soviet Union, increasingly damaging waves of terrorism abroad, scandals such as the Iran-Contra crisis, and eventually the end of the decades-long Cold War. With the strong convictions and startling candor for which Schultz is known, this personal account takes readers into the heart of the Reagan administration, revealing the behind-the-scenes talks and churning tensions that informed a transitional decade that many Americans now look back on as one of the country's most exalted.

Daniel Deronda Apr 29 2021

Good Job, George! Feb 20 2023 From the bestselling author of *Fancy Nancy* comes a book about George, a little boy who is always eager to help! From the bestselling duo Jane O'Connor and Andrew Joyner comes a story about George, who is a very helpful boy. He feeds his dog, Pogo, and helps around the house. It's no surprise everyone's always saying, "Good job, George!" When his parents decide to paint a room in their house, he knows it is the perfect job for him. But the painting doesn't go as planned for George, when a very hungry Pogo has different plans. *Good Job, George* is perfect for little helpers; whether they're in the classroom or in the house, children and adults alike will find George endearing and relatable.

Complete with training videos, *Tableau 8: The Official Guide* provides comprehensive coverage of the latest version of Tableau, the BI software designed for faster data analysis and better business dashboards. Electronic content features original Camtasia videos that bring all examples to life Shows how to build dashboards and analytics in minutes and hours, not days and weeks Enables informed business decision-making based on real data discovery

EBOOK: LABOR ECONOMICS Oct 04 2021 EBOOK: LABOR ECONOMICS

The Accursed Share Jul 01 2021 Most Anglo-American readers know Bataille the philosopher. Here he uses his unique economic theory as the basis for an incisive inquiry into the very nature of civilization. Unlike conventional economic models based on notions of scarcity, Bataille's theory develops the concept of excess: a civilization, he argues, reveals its order most clearly in the treatment of its surplus energy. The result is a brilliant blend of ethics, aesthetics, and cultural anthropology that challenges both mainstream economics and ethnology.

EBOOK: Behavioral Corporate Finance, 2/e Nov 05 2021 EBOOK: Behavioral Corporate Finance, 2/e

The World Book Encyclopedia Dec 26 2020 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

Discovering the Treasures of a Godly Woman Feb 25 2021 For many women, the Proverbs 31 woman is too perfect. But in reality, she is an ordinary woman who made herself available to an extraordinary God—and became a tremendous blessing to everyone around her. *Discovering the Treasures of a Godly Woman* reveals how women can let God work through them by... discerning the true priorities in life cultivating character qualities valued by family and friends pursuing excellence in all they do It is possible for a woman to make the treasures of the Proverbs 31 woman real in her life—and become the woman God designed her to be!

Arthur & George Jan 19 2023 Brilliantly imagined and irresistibly readable, *Arthur & George* is a major new novel from Julian Barnes, a wonderful combination of playfulness, pathos and wisdom. Searching for clues, no one would ever guess that the lives of Arthur and George might intersect. Growing up in shabby-genteel nineteenth-century Edinburgh, Arthur is saddled with a dad who is a disgrace and a mum he wishes to protect, and is propelled into a life of action. To his astonishment, his career as a self-made man of letters brings him riches and fame and, in the world at large, he becomes the perfect picture of the honourable English gentlemen. George is irredeemably an outsider, and has no hope of becoming such a picture. Though he's dogged and logical, a vicar's son from rural Staffordshire, he is set apart, and he and his family are targeted in his boyhood by a poison-pen campaign. George finds safe harbour in the reliability of rules, and grows up to become a solicitor, putting his faith in the insulating value of British justice. Then crisis upsets the uneasy equilibrium of both men's lives. Arthur is knocked for a loop by guilt and other dishonourable emotions. George is put to the sorest test, accused of a horrible crime. And from that point on their lives weave together in the most profound and surprising way, as each man becomes the other's salvation. *Arthur & George* is a masterful novel about low crime and high spirituality, guilt and innocence, identity, nationality and race. Most of all, it's a profound and witty meditation on the fateful differences between what we believe, what we know and what we can prove. George and his father pray together, kneeling side by side on the scrubbed boards. Then George climbs into bed while his father locks the door and turns out the light. As he falls asleep, George sometimes thinks of the floor, and how his soul must be scrubbed just as the boards are scrubbed. Father is not an easy sleeper, and has a tendency to groan and wheeze. Sometimes, in the early morning, when dawn is beginning to show at the edges of the curtains, Father will catechize him. "George, where do you live?" "The Vicarage, Great Wyrley." "And where is that?" "Staffordshire, Father." "And where is that?" "The centre of England." "And what is England, George?" "England is the beating heart of the Empire, Father." "Good. And what is the blood that flows through the arteries and veins of the Empire to reach even its farthest shore?" "The Church of England." "Good, George." And after a while Father will begin to groan and wheeze again. George watches the outline of the curtain harden. He lies there thinking of arteries and veins making red lines on the map of the world, linking Britain to all the places coloured pink: Australia and India and Canada and islands dotted everywhere. He thinks of blood bubbling through these tubes and emerging in Sydney, Bombay, the St. Lawrence Waterway. Bloodlines, that is a word he has heard somewhere. With the pulse of blood in his ears, he begins to fall asleep again. —excerpt from *Arthur & George*

I Lived to Tell It All Feb 14 2020 Boozing. Womanizing. Brawling. Singing. For the last forty years George Jones has reigned as the country's king--the singer many have called the Frank Sinatra of country. And for most of that time, his career has been marked by hard-living, hard-loving, and hard luck. From his early east Texas recordings through his marriage with Tammy Wynette to his latest acclaim as a solid citizen and "high-tech red-neck," Americans have been fascinated with Jones, never even knowing whether he's going to show up for his next concert. Now, in *I Lived To Tell It All*, George Jones supplies a no-holds-barred account of his excesses and ecstasies. How alcohol ruled his life and performances. How violence marred many friendships and relationships. How money was something to be made but never held on to. And, finally, how the love of a good woman can ultimately change a man, redeem him, and save his life.

Theory of College Student Development Jan 15 2020 The purpose of *Theory of College Student Development* is to provide readers with new theoretical knowledge or a reminder of the foundational and evolving theories that professionals can utilize for understanding and making sense of students' behavior. Its primary focus is on the integration of knowledge, skills, and application of such theories in such a way as to emphasize utility and application. A unique component is its emphasis on professional competence, professional identity, and theoretical application. Unlike previously published case study books designed to reach student development theory, this text utilizes a single case that allows readers to see how a range of theories are applicable to this one case. Theories presented for application include both foundational and evolving theoretical perspectives. The twelve chapters have been written by both faculty and practitioners. Each coeditor and chapter author brings unique perspectives and lens of viewing theory and application, representing their experiences, talents, and expertise. It features authors who represent the best of the best, and these authors challenged us to be more innovative as we reimagine the evolution of student development theory. The editors had two specific audiences in mind: faculty and higher education practitioners. With over two hundred graduate preparation programs in the United States, most offering a student development theory course, this book will help graduate faculty, both new and seasoned, with a mechanism for teaching theory in a fun, relevant, and innovative way.

You Can Avoid Debt Now May 19 2020 The title of the book is actually the most precise and accurate description of the book. It is engaging, encompassing, current and fun to read. It is written in plain language, no unnecessary jargons. It is not exclusive to any community of readership, instead it has clarity and it is within easy comprehension for any reader who genuinely wants to avoid debt. This book should be an awakening call to many, to others a source of information they have not been aware of. However what it will do for every reader is that it will remind, increase caution, and create awareness that will help them avoid debt. It is also well salted with choice press materials that are parallel to its basic doctrine. It showcases financial journalists and resources that can help update the reader on the knowledge they acquire from the book. Several issues are brought to light; the range includes matters of financial discipline, identifying financial loopholes and how to recover from debt. This book will inform the reader about many belying factors about taking on a debt. It also exposes social vehicles and puppet strings that make people susceptible to debt. Other subtle and psychological issues that systematically draw people into debt. There are no boring statistical calculations and tables, no pie charts, graph nor computed accounting work. Instead the book is focused on appealing to the common sense of the reader and making the reader more observant when making financial decisions and when dealing with service providers etc. The banking sector was exposed in a way that is unique and unusual to most work of this nature. When the book is read meticulously the reader will be able to easily spot snares and trappings entailed in deals offered by service providers and the banking sector.

Travels with George Oct 16 2022 NEW YORK TIMES BESTSELLER "Travels with George . . . is quintessential Philbrick—a lively, courageous, and masterful achievement." —The Boston Globe Does George Washington still matter? Bestselling author Nathaniel Philbrick argues for Washington's unique contribution to the forging of America by retracing his journey as a new president through all thirteen former colonies, which were now an unsure nation. *Travels with George* marks a new first-person voice for Philbrick, weaving history and personal reflection into a single narrative. When George Washington became president in 1789, the United States of America was still a loose and quarrelsome confederation and a tentative political experiment. Washington undertook a tour of the ex-colonies to talk to ordinary citizens about his new government, and to imbue in them the idea of being one thing—Americans. In the fall of 2018, Nathaniel Philbrick embarked on his own journey into what Washington called "the infant woody country" to see for himself what America had become in the 229 years since. Writing in a thoughtful first person about his own adventures with his wife, Melissa, and their dog, Dora, Philbrick follows Washington's presidential excursions: from Mount Vernon to the new capital in New York; a monthlong tour of Connecticut, Massachusetts, New Hampshire, and Rhode Island; a venture onto Long Island and eventually across Georgia, South Carolina, and North Carolina. The narrative moves smoothly between the eighteenth and twenty-first centuries as we see the country through both Washington's and Philbrick's eyes. Written at a moment when America's founding figures are under increasing scrutiny, *Travels with George* grapples bluntly and honestly with Washington's legacy as a man of the people, a reluctant president, and a plantation owner who held people in slavery. At historic houses and landmarks, Philbrick reports on the reinterpretations at work as he meets reenactors, tour guides, and other keepers of history's flame. He paints a picture of eighteenth-century America as divided and fraught as it is today, and he comes to understand how Washington compelled, enticed, stood up to, and listened to the many different people he met along the way—and how his all-consuming belief in the union helped to forge a nation.

Happy Halloween, Curious George (read-Aloud) Oct 12 2019 Halloween is here, and Curious George is getting ready for the big night. There are so many costumes to try on, treats to share, and games to play! George has so much Halloween fun picking out the perfect pumpkin, decorating his house, and celebrating with his friends that he's not sure he's ready for the day to end. Follow the little monkey through his fun-filled day with this ebook of poems. *Happy Halloween, Curious George* is a sweet treat to help Curious George fans of all ages get in the Halloween spirit. The audio for this Read-Aloud ebook was produced and engineered by Perry Geyer at Cybersound Recording Studios (349 Newbury St., Ste. 201, Boston, MA 02115). Music theme composed by Cybersound Studios (Perry Geyer, Silvio Amato, Michael Africk, Greg Hawkes). Engineers: Perry Geyer (music production and sound design), Rob Whitaker (editing and mixing engineer), Samuel Creager (editing, sound design, and mixing engineer), Marcus Clark, Corey Rupp. Assistant engineers: Dave Chapman, Mike Pekarski, Justin Sheriff, Daniel Wrigley, Andrew Sardinha, Mami Ienaga, Kevin Notar, Maria Goulamhousen. Sheridan Willard, John Huang, John Schmidt. Voiceover by Nikki Lu Lowe.

Meet Robert E Lee Jan 27 2021 Meet ROBERT E. LEE is the story of a great American leader forced to make a terrible decision. Robert E. Lee the Virginian, son of a Revolutionary hero, served in the U.S. Army as America moved towards Civil War. Loving his country, he hated to see the Union split, but he could not fight against the South. His agonizing decision, his brilliant military leadership, and the fine example he set when the battle was done, are all recounted in this thoroughly researched and richly illustrated book.

Curious George Apr 17 2020 In this, the original book about the curious monkey, George is taken from the jungle by the man in the yellow hat to live in a new home, but--oh, what happened! Though trying to be good, George is still very curious and takes a swim in the ocean, escapes from jail, and goes for a flying ride on a bunch of balloons. This treasured classic is where it all began for the curious, loveable monkey and is a must have for any children's book collection.

EBOOK: Cancer In Young Adults Aug 14 2022 The original inspiration for this book was George who died from osteosarcoma at the age of 23. During his illness his parents tried without success to access information on the life-stage issues that make life-threatening illness during young adulthood particularly difficult to manage. They could find no literature relating specifically to this problem and struggled throughout George's 4 years of living with cancer to cope with the additional problems faced by families in this situation. After his death they set up a research project to help other families facing these issues. This book is the outcome of that research. It is heavily based on the use of narrative material written by parents whose young adult children have been diagnosed with cancer. The book addresses issues such as sexuality and fertility, independence, the need for normality, the effect on siblings, the ownership of medical information, financial issues, the impact on the parents' partnership and the emotional consequences of the illness. It is designed to be of practical assistance both to parents and to health professionals involved with the care of young adults with cancer.

The Three of Us Jun 19 2020 The marriage of George Jones and Tammy Wynette was hailed as a union made in honky-tonk heaven. And when little Tamala Georgette Jones was born in 1970,

she was considered country music's heir apparent. For the first four years of her life, Georgette had two adoring parents who showed her off at every opportunity, and between her parents, grandparents, older sisters, and cheering fans, Georgette's feet seldom hit the ground. But as in every fairy tale, dark forces were just around the corner. Her parents fought, and George drank. George and Tammy divorced when Georgette was four, and it would be years before she understood just what that meant. *The Three of Us* is an honest and heartfelt look into the life of a broken family living in the glare of the public spotlight. Like so many of her generation, Georgette had to make sense of loving two parents who couldn't love each other. With never-before-told stories about George and Tammy, it recounts Tammy's descent into prescription pill addiction, her dependence on her fifth husband, George Richey, and her untimely death at the age of fifty-five. Georgette opens up about her broken relationship with her father and what it took for them to come back together. Lastly, Georgette discusses the ups and downs of her adult life: failed marriages, illness, an arrest, and now, an unexpected but thrilling career as a musician. *The Three of Us* is a story of both extreme privilege and great trials, of larger-than-life people with larger-than-life problems. Rich in country music history, it contains twists and turns, highs and lows, but in the end, it stands as an intensely moving tale of love, loss, heartbreak, and what it means to be a family.

Liberation Day Aug 22 2020 NEW YORK TIMES BESTSELLER • "One of our most inventive purveyors of the form returns with pitch-perfect, genre-bending stories that stare into the abyss of our national character. . . . An exquisite work from a writer whose reach is galactic."—Oprah Daily Booker Prize winner George Saunders returns with his first collection of short stories since the New York Times bestseller *Tenth of December*. ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker The "best short-story writer in English" (Time) is back with a masterful collection that explores ideas of power, ethics, and justice and cuts to the very heart of what it means to live in community with our fellow humans. With his trademark prose—wickedly funny, unsentimental, and exquisitely tuned—Saunders continues to challenge and surprise: Here is a collection of prismatic, resonant stories that encompass joy and despair, oppression and revolution, bizarre fantasy and brutal reality. "Love Letter" is a tender missive from grandfather to grandson, in the midst of a dystopian political situation in the (not too distant, all too believable) future, that reminds us of our obligations to our ideals, ourselves, and one another. "Ghoul" is set in a Hell-themed section of an underground amusement park in Colorado and follows the exploits of a lonely, morally complex character named Brian, who comes to question everything he takes for granted about his reality. In "Mother's Day," two women who loved the same man come to an existential reckoning in the middle of a hailstorm. In "Elliott Spencer," our eighty-nine-year-old protagonist finds himself brainwashed, his memory "scraped"—a victim of a scheme in which poor, vulnerable people are reprogrammed and deployed as political protesters. And "My House"—in a mere seven pages—comes to terms with the haunting nature of unfulfilled dreams and the inevitability of decay. Together, these nine subversive, profound, and essential stories coalesce into a case for viewing the world with the same generosity and clear-eyed attention Saunders does, even in the most absurd of circumstances.

JFK Jr., George, & Me Dec 06 2021 John Kennedy Jr.'s creative director for *George* magazine presents "a vivid portrait of JFK Jr. that only a select few have ever seen, offering a touching and honest tribute to John's legacy" (BookReporter.com). If *George* magazine was about "not just politics as usual," a day at the office with John F. Kennedy Jr. was not just business as usual. John handpicked Creative Director Matt Berman to bring his vision for a new political magazine to life. Through marathon nights leading up to George's launch; extraordinary meetings with celebrities including Barbra Streisand, Robert De Niro, and Demi Moore; and jokes at each other's expense, Matt developed a wonderfully collaborative and fun-loving relationship with America's favorite son. They were an unlikely team: the poised, charismatic scion of a beloved political family and the shy, self-deprecating, artistic kid. Yet they became close friends and confidants. In this warm, funny, and intimate book, Matt remembers his brilliant friend and colleague—John's approach to work, life, and fame, and most of all, his ease and grace, which charmed those around him. More than any book before it, *JFK Jr., George, & Me* reveals the friendly, witty, down-to-earth guy the paparazzi could never capture. Matt opens the doors of John's messy office to share previously untold stories, personal notes, and never-before-seen photos from the trenches of a startup magazine that was the brainchild of a superstar. John helped Matt navigate a world filled with celebrities, artists, beauty, style, competition, and stunningly tender egos. In turn, Matt shares the invaluable lessons about business and life that he learned from John. What emerges is a portrait of JFK Jr. as a true friend and mentor.

The Big House Nov 24 2020 Faced with the sale of the century-old family summer house on Cape Cod where he had spent forty-two summers, George Howe Colt recounts returning for one last stay with his wife and children in this stunning memoir that was a National Book Award Finalist and a New York Times Notable Book of the Year. This poignant tribute to the eleven-bedroom jumble of gables, bays, and dormers that watched over weddings, divorces, deaths, anniversaries, birthdays, breakdowns, and love affairs for five generations interweaves Colt's final visit with memories of a lifetime of summers. Run-down yet romantic, *The Big House* stands not only as a cherished reminder of summer's ephemeral pleasures but also as a powerful symbol of a vanishing way of life.
